DETAILED ACTION

Allowable Subject Matter

1. Claims 21-31 and 33-40 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 21, 29, and 33 disclose a method, system and computer program comprising providing baggage transportation service at a remote location, transporting baggage to the transportation center, wherein there is an outsourcing arrangement for an employee to perform both a first service associated with the baggage transportation service and a second service associated with an operation at the remote property, where the first and second services are different from each other. These limitations, in combination with the other limitations in the claims, were not found in the relevant prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

3. Applicant's arguments, see Appeal Brief, filed 5/11/2007, with respect to Claims 21-31 and 33-40 have been fully considered and are persuasive.

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
